## Adam & Eve

### LESSON 3:

God provided the perfect environment for Adam and Eve. They were surrounded by every fish, bird, and animal that God had created. They could feast upon any fruit except that from the tree of the knowledge of good and evil. The climate was so perfect, they didn't even need clothes; yet Satan found his way into this paradise. Speaking through a serpent, he questioned Eve regarding the motivation for God's only command to her. We continue today in Genesis 3:1:
