

Personalities of the Bible

Adam & Eve

LESSON 6: God created a perfect world and into it He placed Adam and Eve. God's perfect plan was for man and woman, as well as the animal kingdom, to be fruitful and multiply. Sickness, aging, and death were unknown. God even walked in the Garden in the cool of the evening to fellowship with this first couple. God allowed a test involving the fruit of the tree of the knowledge of good and evil to take place. God had warned Adam and Eve not to eat of its fruit. Satan told them otherwise. Even believed Satan and ate. Adam willingly rebelled and ate. Everything changed. Adam and Eve would bear life-long consequences of their sin. Immediately, spiritual death occurred. Later, physical death would affect every living creature and every descendant of Adam and Eve. All creation groaned because Satan had now become the prince of their world. All of Adam and Eve's offspring inherited their sin nature. Our story continues to Genesis 4:
