

DAVID : Lesson 68:

David gets very high marks as Israel's King. He conquered the Jebusites and made Jerusalem Israel's capital. He moved The Ark of The Covenant to Jerusalem. He enlarged Israel's borders and made the surrounding nations slaves and collected tribute from them. He began storing the supplies that would be used in the building of God's Temple. He fulfilled his vows to Saul and Jonathan. His personal life, however, was a different matter. We continue today in Deut.17.
