DAVID : Lesson 93:

Personalities of The Bible is a study of the entire Bible from Genesis through Revelation, centered around the detailed examination of the lives of the people mentioned in Scripture. The Bible is one continuous story. Many people, wrongly think the study of the Old Testament is irrelevant and boring. Yet, it is the Old Testament that gives us a rich understanding of the character of God. We learn much about God as He deals with Adam and Eve, Noah, Abraham, Moses, Joshua, Samuel, David and many, many others. One of the fundamental attributes of God is His unconditional love. We begin today in Deuteronomy 4.
