

Personalities  
of the  
Bible  
DAVID

REVIEW: Lesson 1

Today we begin our 23rd year of Personalities of The Bible. We have studied in great detail most of the significant people found in the pages of Scripture. With the exception of Jesus, these people turned out to be people just like us. They have strengths and weaknesses just like us. They were imperfect people just like us. We have also learned that God does not change. He is the same God, yesterday, today and yes forever. God will deal with us as He dealt with those in scripture. Perhaps His methods may differ but the methods are always consistent with God and His nature. So, today, we begin with God. Turn to Hebrews 1.
