

PERSONALITIES
OF THE
BIBLE
1 SAMUEL

RECAP LESSON 1:

A stunned Samuel could not believe what he was hearing. The elders of Israel had gathered together at Samuel's home in Ramah with a shocking demand. The elders wanted a king to rule over them so Israel would be like all the other nations around them. Those nations were pagan and wicked. How could the leaders of Israel reject The God of their Fathers and His desire for Israel to be His teaching tool to the world? We continue today in Isaiah 55.
