

PERSONALITIES  
OF THE  
BIBLE  
1 SAMUEL

## REVIEW LESSON 2:

In Genesis 32, Jacob finds himself alone at night, contemplating his reunion with Esau. Suddenly, a man jumps upon him and the wrestling match begins. It was during this fight that Jacob realized he was actually wrestling with God. Before blessing Jacob, God changes his name from Jacob (trickster) to Israel. Israel means strives with God. She has been true to that name throughout history. We begin today in 1 Samuel 8.
